We respectfully request an extension from May 1, 2015 to May 31, 2015 to file our Class A & B Water Companies 2014 Annual Report for Rainier View Water Company, Inc.

We are working with our CPA firm (Doty, Beardsley, Rosengren & Co., P.S.) to ensure that we have fully complied with the new Internal Revenue Service's Tangible Property Regulations. We expect our adoption of the new regulations will reduce our taxable income and decrease our deferred tax assets, which will directly affect amounts reported in both the 2014 balance sheet and income statement. However, currently there is no way to be certain what the final amount will be.

The additional time will allow us to work with our CPAs to finalize these amounts and ensure that the income tax amounts reported in our records are complete and accurate as of and for the year ended December 31, 2014. Our regulatory fee will be submitted to the Commission well before the May 1, 2015 due date.

Thank you, in advance, for considering this extension request. If you need additional information or have questions, please feel free to contact me at 253-537-6634 or Doug@MountainMist.com.

Sincerely,

Doug Fisher
Assistant Secretary
