

Date: March 1, 2015

Globalinx Enterprises, Inc., f/k/a Tri-M Communications, Inc. has decided to exit the Telecommunications Business. Along with this decision, GLOBALINX has arranged to transfer your customer account and services to Birch Communications if you agree to do so. This transfer must be completed by March 31, 2015. Additionally someone from GLOBALINX will be contacting you to confirm that you do wish to continue your services with Birch Communications and to facilitate moving your services to Birch Communications.

In preparation for this change, you may see additional communications from both GLOBALINX and Birch Communications over the next several weeks with additional details. Please ensure you read these notifications carefully to ensure you don't miss anything.

Birch is dedicated to providing you with the best customer support in the industry. Birch has been named one of Inc. magazine's 5,000 fastest growing private companies in the U.S. for four consecutive years. Birch achieved this growth and longevity in the market by providing its customers with great value and exceptional customer service - which is why its Customer Service Department is a three time winner of the Center of Excellence recognition - one of the most prestigious awards in the customer service and support industry.

This transfer will not affect or disrupt your current service. In addition, your existing rates and billing cycle will remain the same, and Birch will honor your current contract terms. You will also not incur any carrier change charges from any company as a result of this transaction.

You have a choice for your telecommunications provider and we appreciate your business.

If you have questions you can continue to contact GLOBALINX throughout March at 866-999-1155.

Sincerely,

Craig Jerabeck
