

Sunshine Disposal & Recycling

July 16, 2015

Dear Mr. King:

Enclosed is a proposed new Tariff #8 for Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260).

This purpose of this filing is to update the tariff to reflect new ownership and contact information for the Ferry & Okanogan County service area. Rates and services are unchanged, except for one disposal rate in item 230.

Enclosed also is the rate notice from Stevens County reflecting the rate change from January 1, 2015. There is no revenue impact from this change since this is an infrequent disposal site for drop box services.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
Chief Financial Officer
