

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

**PENALTY ASSESSMENT: DG-151579
PENALTY AMOUNT: \$1,000**

Kelly Bosa
KLB Construction
PO Box 158
Mukilteo, WA 98275

The Washington Utilities and Transportation Commission (Commission) believes that you have violated Revised Code of Washington (RCW) 19.122.030(1)(a) by failing to request a utility locate ticket prior to performing an excavation. RCW 19.122.055(1)(a) states, in part, that any excavator who fails to notify a one-number locator service and causes damage to a hazardous liquid or natural gas facility is subject to a civil penalty of not more than ten thousand dollars for each violation.

Commission staff (Staff) conducted an investigation in which it reviewed damage reports submitted by Puget Sound Energy (PSE) and identified one natural gas damage event involving Kelly Bosa, d/b/a KLB Construction (KLB Construction) where buried utilities were not located prior to excavation. Accordingly, the Commission hereby notifies you that it is assessing a penalty against you in the amount of \$1,000 on the following grounds:

On March 18, 2015, KLB Construction, performed an excavation installing drainage piping at 3512 Everett Avenue, Everett, Washington. Prior to beginning excavation, KLB Construction failed to request a utility locate ticket from a one-number locator service to have the underground utilities located.

On April 17, 2015, PSE submitted a 30-day report to the Commission identifying KLB Construction as the party responsible for damaging PSE's natural gas line at 3512 Everett Avenue, Everett, Washington, on March 18, 2015. PSE informed the Commission that the event was believed to have resulted in an uncontrolled release of natural gas for over two hours, and that KLB Construction did not call for utility locates prior to digging.

On May 1, 2015, PSE submitted a Damage Incident Reporting Tool (DIRT) report identifying KLB Construction as the party responsible for damaging the Utility's natural gas service line at 3512 Everett Avenue, Everett, Washington, on March 18, 2015, without first obtaining a ticket number to have utilities located prior to excavation.

Based on the results of Staff's investigation, the Commission finds that KLB Construction violated RCW 19.122.030(1)(a) one time, by failing to request a dig ticket prior to performing an excavation, and the Commission assesses a \$1,000 penalty. These facts, if not contested or if proved at a hearing and not rebutted or explained, are sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violations did not occur, you may deny committing the violation and contest the penalty assessment through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact concerning the violation require consideration of evidence and resolution in a hearing. Any contest of the penalty assessment must include a written statement of the reasons supporting that contest. Any failure to provide such a statement will result in denial of the contest.

If you admit the violation but believe there is a reason for the violation that should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or through a written statement. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request for mitigation, either in a hearing or through a written statement, must include a written explanation of the reasons supporting that request. Failure to provide such an explanation will result in denial of the request.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due;
- Contest the occurrence of the violation; or
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Olympia, Washington, and effective October 5, 2015.
