Re: Dismissing Application

Dear Northern Star Haulers LLC:

On October 20, 2015, Northern Star Haulers LLC filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Motor Freight Carrier carrier in the state of Washington.

On October 20, 2015, January 6 and February 24, 2016, the Commission sent Northern Star Haulers LLC notices describing the application requirements the company had not satisfied. Despite this notice, Northern Star Haulers LLC has not met the following requirements as of the date of this letter: Request a Uniform Motor Carrier Certificate of Insurance (Form E) from your insurance company.

Accordingly, the application filed by Northern Star Haulers LLC for Motor Freight Carrier authority is dismissed for failure to meet the application requirements.
