RE: Global Telecom & Technology Americas, Inc.

Dear Mr. Danner:

We are the attorneys for Global Telecom & Technology Americas, Inc. (hereinafter "GTTA"). On November 21, 2004, the Washington Utilities and Transportation Commission ("Commission") previously authorized GTTA to provide intrastate telecommunications services Docket No. UT-981076 and changed name on March 14, 2007. GTTA has no customers in Washington, and no longer intends to retain authority in the State of Washington. Accordingly, we respectfully request that the Commission cancel GTTA's authority effective immediately.

Enclosed is a duplicate of this letter. Please stamp the duplicate received and return same in the postage-paid envelope attached thereto.

Please forward any additional forms or requirements, correspondence, or questions to the undersigned.

Very truly yours,

CROCKER & CROCKER
