1 The Plan of Merger is attached as Exhibit 1. The Articles of Merger are attached as Exhibit

2 2.

3
4 The customers will continue to be served at their current rates and the applicable rate
5 schedules for each system as set out in Iliad's tariff. At an appropriate point in time, service may be
6 combined under one tariff rate. However, in order to ensure that the transaction is seamless for
7 customers, the current tariff rate schedules will be maintained until there is a general rate case filed
8 by Iliad. At that time, the Commission can determine whether it wants a unified tariff rate or to
9 maintain the applicable tariff sheets for each water system. In the mean time Iliad LLC has filed a
10 Tariff Adoption Notice, copy attached as Exhibit 3.
11

12
13 The customers have been notified of this transaction. A copy of the customer notice is
14 attached as Exhibit 4.
15

16
17 The Companies respectfully request that the Commission approve this Application.
