**Re:** Review Committee Decision - Case Number 16-006, 007,  
009 and 017 City of Lacey versus Barrett's Enterprise

Dear Mr. King:

The Washington State Dig Law Safety Committee received a series of complaints regarding potential violation of the Washington State Dig Law RCW 19.122 for work performed earlier this year in 2016. On September 21, 2016 the Review Committee of the Safety Committee heard the complaint. The Complainant in this case is the City of Lacey, and the Respondent is Barrett's Enterprise.

The complainant alleged violation of RCW 19.122.030. The Review Committee finds that the respondent, Barrett's Enterprise, did violate RCW 19.122.030(1) for failing to provide notice to a one-number locating service for the excavation area for case 16-007; and did violate 19.122.030(2) for not waiting the full two business days after calling in a dig ticket to begin excavation for cases 16-006 and 16-017. The Review Committee had insufficient information to determine a violation for case 16-009.

The Review Committee recommends the following penalty be assessed to the respondent:

\$1000 for violating 19.122.030(1) Case 16-007

\$5000 for violating 19.122.030(2) Case 16-006

\$5000 for violating 19.122.030(2) Case 16-017

The Review Committee further recommends that \$10,000 of the total \$11,000 penalty can be deferred on the condition that Barrett's Enterprise owners and all crews complete NUCA Dig Safe Training within 90-days of a finding by the UTC. If Barrett's Enterprise either fails to complete the training within the required 90-days or has a further violation of RCW 19.122.030 within 12-months of a finding of the UTC, then the \$10,000 deferred shall be due and owing.

Please let me know if you have any questions regarding this case. I can be contacted at 425.430.7212

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dave Christensen'.
