Re: H&R Waterworks, Inc. – Sixth Revised Sheet No. 3.3 Canceling Fifth Revised
Sheet No. 3.3; Original Sheet No. 18.14

Dear Mr. King:

Attached are the original above-referenced tariff sheets. The purpose of the filing is to add the Boots and Saddles Water System to the Company's tariff. The Company recently acquired the Boots and Saddles Water System which was an unregulated water system operating in Pierce County.

Customers and the Department of Health have been notified of the transaction by the seller. In addition, the Company is sending the customers a welcoming letter explaining Company operations.

Pursuant to WAC 480-80-123, this is a new service that is being added to the Company's tariff. Therefore, it is being filed on shortened notice.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
