RE: MCImetro Access Transmission Services LLC's Notice of Corporate
Restructuring and Name Change

Dear Mr. King:

MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services ("MCImetro LLC") respectfully notifies the Commission of (1) its name change to MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services ("MCImetro Corp.") as the result of its conversion from a limited liability company to a corporation; and (2) its corporate restructuring that merged MCImetro Access Transmission Services of Massachusetts, Inc. ("MCImetro Mass") into MCImetro Corp., leaving MCImetro Corp. as the surviving entity.

MCImetro LLC, now MCImetro Corp., is a Delaware limited liability company certificated as a competitive local exchange carrier in Washington that provides local exchange services throughout most of the United States. MCImetro Mass was a Georgia corporation that provided service *only* in the state of Massachusetts and did not operate, nor was it certificated, in the state of Washington.

Verizon Communications Inc. ("Verizon"), the ultimate parent of both companies, completed the restructuring on October 31, 2016. MCImetro Corp. has registered the new name with the Washington Secretary of State and the corresponding documents are attached.

The restructuring did not result in a change to the rates, terms, and conditions of the services that MCImetro LLC offered to customers; and was seamless and transparent to customers, who continue to be served in the same manner. MCImetro Corp. continues to be a wholly owned Verizon subsidiary and retains all of the managerial, technical and financial resources that were available to MCImetro LLC. MCImetro Corp. will continue to conduct business in accordance with all applicable laws, rules and Commission orders.

MCImetro LLC sent its customers notices of the restructuring during September informing its customers of the name change and merger of MCImetro Corp. and MCImetro Mass.

MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services respectfully requests the Commission to update its competitive carrier designation records to reflect this change in corporate name and to show that the competitive provider status approved in UT-980507 is held by MCImetro Corp.

Please do not hesitate to call me if you have any questions concerning this transaction.

Sincerely,

Annette Brown
