RE: Tariff Submittal, Tariff Number 12, Harold LeMay Enterprises, Inc. dba Harbor Disposal and Eastern Grays Harbor Disposal, G-98

Dear Mr. King:

Our Company has been notified by Grays Harbor County Department of Public Services that the tipping fee at the Central Transfer Station will increase from \$95.20 to \$96.73 per ton, a 1.6% increase, effective January 1, 2017. We project this will increase revenue for the residential service by \$6,800 (0.5%); for commercial service by \$4,900 (0.6%); and drop box service by \$5,000 (1.6%) for a 12-month period. There are approximately 5,940 residential, 1,260 commercial, and 72 drop box customers affected by this change. The last general rate increase for Empire Disposal was approved by the Commission, January 1, 2011.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2017. Pursuant to WAC 480-70-271(2) (iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

We also request that the Commission, on its own Motion under WAC 480-07-370 (b), allow this disposal fee filing as an exception to the general rate case workpaper rule at WAC 480-07-520.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
