Re: Rainier View Water Company, Inc. – Fourth Revision of Sheet No. 34.1  
Canceling Third Revision of Sheet No. 34.1

Dear Mr. King:

Attached you will find the above-referenced tariff sheet. The purpose of this filing is to extend the expiration date of the treatment surcharge from July 31, 2019 to July 31, 2025, and increase the amount of the surcharge from \$797,745 to \$1,740,034. The monthly amount of the surcharge of \$0.75 will not change.

By increasing the size of the surcharge recovery and extending the expiration date, the company will be able to install manganese and iron treatment facilities at four additional locations. Work papers showing the planned expenditures and the calculation of the expiration date are enclosed. A copy of the customer notice is attached.

Thank you for your attention to this matter.

Sincerely,  
  
RICHARD A. FINNIGAN
