Re: **Advice No. 2016-39 – Electric Tariff Filing – Filed Electronically**

Dear Mr. King:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revision to the WN U-60, Tariff G for electric service of Puget Sound Energy (“PSE”).

2nd Revision of Sheet No. 142-R - Revenue Decoupling Adjustment Mechanism (Continued)

The purpose of this filing is to correct a scrivener’s error in the Revenue Decoupling Adjustment Mechanism rate table for Schedule 57. Dollar signs were inadvertently used for per watt of connected load and have been corrected to cent signs. Schedule 57 per watt rates have been correctly implemented consistent with the intention of the original filing and associated work papers, despite the typographical error on the tariff sheet.

The tariff sheet described herein reflects an issue date of December 22, 2016, and an effective date of January 22, 2017. Posting of the proposed tariff change for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter, through web, telephone and mail access in accordance with WAC 480-100-193(1). This filing does not represent an increase in recurring charges or restrictions in access to services, therefore notice will be provided in accordance with the provisions of WAC 480-100-195(3).

Please contact Julie Waltari (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.

Sincerely,

Ken Johnson
