Dear Mr. King:

Attached please find revised pages for Tariff Number 8, as well as supporting documentation for the commodity credit adjustment. Tariff pages 1, 21 and 24 are affected by this change.

The residential credit will increase from \$0.40 to \$1.81, an increase of \$1.41 (352.5%) per customer, per month. The multi-family credit will increase from \$0.36 to \$0.76, an increase of \$0.40 (111%) per customer, per month. If approved, by the Washington Utilities and Transportation Commission, the revised commodity credits will go into effect on July 1, 2017. The customers will receive notification of this change on the first billing reflecting the change.
