

WASHINGTON WATER SERVICE COMPANY

August 14, 2017

Steven V. King, Executive Director & Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504-7250

Dear Mr. King;

Enclosed is a copy of the contract between Pen Met Parks and Washington Water Service Company (WWSC) to extent the current water main line to provide water utility service to the Sehmel Homestead Park – bathroom facilities and maintenance building. This site is on parcel # 0122354043 in Pierce County, which is serviced by S&I Water System, DOH ID #751541. This agreement has been signed by Terry Lee and countersigned by Scott Bailey, the General Manager of WWSC.

Estimated costs identified on attachment A are \$5,900.00 plus Washington State Sales Tax. Due to our past work with this customer, a deposit fee is not required for this project.

Upon completion and certification of the extension, Terry Lee will provide to WWSC a Bill of Sale which will transfer ownership of the facilities to the company.

A vicinity map showing the location of the lot is included with this filing. Please do not hesitate to call me at 253-851-4060 ext. 1105, if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Khanosi Chakweva". The signature is fluid and cursive, with a long, sweeping tail that extends to the right.
