RE: Schedule G, Energy Efficiency Services and Programs – Residential and Commercial

Northwest Natural Gas, dba NW Natural (“NW Natural” or the “Company”), files herewith the following revisions to its Tariff WN U-6, stated to become effective with service on and after **October 1, 2017**:

Fourteenth Revision of Sheet G.1,
Schedule G,
“Energy Efficiency Services and Programs – Residential and Commercial.”

The purpose of this filing is to add Rate Schedule 1 to the list of commercial schedules covered by the Company’s Energy Efficiency Services and Programs. Rate Schedule 1 is a general sales service Rate Schedule available to all customer classes that qualify for this service. Residential and commercial Rate Schedule 1 customers are eligible for energy efficiency services as shown on Schedule 215 “Adjustment to Rates Energy Efficiency Service and Programs.” This filing updates Schedule G to correct the unintentional omission.

This revision is housekeeping in nature and is made only to ensure the list of customers in Schedule G is complete.

There is no effect on Company revenues as a result of the change proposed herein.

The Company respectfully requests that the tariff sheets filed herein be approved to become effective with service on and after October 1, 2017.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

A copy of the filing is available for public inspection in the Company’s main office in Portland, Oregon and on its website at www.nwnatural.com.

Please address correspondence on this matter to me with copies to the following:
