Re: Tenino Telephone Company – Ninth Revision of Sheet No. 21 Cancelling Eighth
Revision of Sheet No. 21

Dear Mr. King:

Attached you will find the above-referenced tariff sheet. The purpose of this filing is to delete obsolete services. The services in question are Rotary Dial Service and Touch Calling Service. The services have not been offered for many years. This tariff filing is simply an administrative cleanup of the obsolete items.

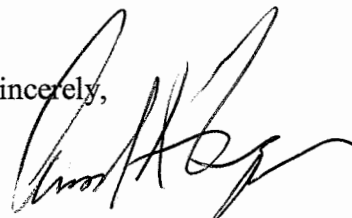

Under WAC 480-80-123(3)(c), this is a change to a telecommunications tariff that does not effect the rates or charges paid by customers since these are obsolete services that have not been offered by the Company for many years. Therefore, the tariff change is being made on shortened notice as not requiring statutory notice.

The undersigned has authority to prepare tariff changes and to file those changes with the Commission on behalf of the Company.
