Subject: Request for official review of Mason County Comprehensive Solid Waste Management Plan

Dear Mr. Gachowsky,

Enclosed with this letter is a copy of the 2017 Mason County Comprehensive Solid Waste Management Plan, submitted to Ecology for official review and approval. The plan was completed by the Solid Waste Advisory Committee (SWAC) over the last 2 years. The plan has gone through the SEPA review process by Mason County Planning. Public outreach has included a public hearing for comments at a Board of Commissioners meeting and a presentation and question and answer session at a Planning Advisory Commission meeting.

Following the review by Ecology, UTC, and the Department of Agriculture the County will go back to the Board of Commissioners and the City of Shelton for approval of the plan.

If you have any questions regarding this plan please call me at (360) 427-9670 x652 or you can e-mail me at bstepp@co.mason.wa.us.

Sincerely,

Bart Stepp, PE
