RE: Tariff Submittal, Tariff Number 2, Waste Connections of Washington, Inc. G-253.

Dear Mr. King:

Our company has been notified that the tipping fee in Clark County will increase from \$88.88 to \$93.22 per ton a 5.1% increase, effective January 1, 2018. We project this will increase revenue for residential service by \$211,000 (1.9%); for commercial service by \$104,000 (2%); and drop box service by \$118,000 (5.1%) for a 12-month period. There are approximately 65,000 residential, 3,900 commercial and 300 drop box customers affected by this change. The last general rate increase approved by the Commission was effective October 1, 2008. The Company intends to file its next general rate increase request within the next 90 days.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2018. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

We also request that the Commission, on its own Motion under WAC 480-07-370 (b), allow this disposal fee filing as an exception to the general rate case workpaper rule at WAC 480-07-520.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at [heatherg@wcnx.org](mailto:heatherg@wcnx.org).

Sincerely,

Heather Garland
