Re: Stericycle of Washington, Inc. (G-244)
 Revision to Stericycle of Washington, Inc. Tariff No. 1, Item 14, Item 15 and Item 30

Dear Secretary:

We are attorneys for Stericycle of Washington, Inc. ("Stericycle") and are writing to you in that capacity.

Enclosed for filing pursuant to WAC 480-70-262 are revisions to Stericycle's Tariff No. 1, Checksheet, Item 14 (lost container charges), Item 15 (Maximum Weights), and Item 30 (Rate Schedule), as shown on the revised tariff pages enclosed with this letter.

Item 30 is being revised to offer a new 17 gallon reusable container option to all Stericycle customers. Item 14 is being revised to indicate the lost container charge for this new container option. Item 15 is being revised to indicate the maximum allowed weight for this new container option.

Because these tariff changes are for the purpose of adding a new service option, Stericycle requests that the Commission authorize it to implement the proposed tariff changes on seven (7) days' notice to the Commission under WAC 480-70-262. Because the proposed tariff changes involve the addition of a new service option, no notice to customers prior to implementation is planned.

Please do not hesitate to contact me if you need additional information or clarification about the proposed tariff change.
