Subject: Submittal of Preliminary Agency Review Draft – *Asotin County Solid Waste and Moderate Risk Waste Management Plan 2017 Update*

Dear Ms. Gilmore:

Enclosed with this transmittal letter is a complete Preliminary Agency Review Draft of the *Asotin County Solid Waste and Moderate Risk Waste Management Plan 2017 Update* package. The following items are included in this package:

- Tab 1: Preliminary Agency Review Draft – *Asotin County Solid Waste and Moderate Risk Waste Management Plan 2017 Update* (3 hard copies and 1 electronic)
- Tab 2: Interlocal Agreements from Participating Jurisdictions
- Tab 3: Evidence of Solid Waste Advisory Committee Participation
- Tab 4: Preliminary State Environmental Policy Act Documents
- Tab 5: Washington Utilities and Transportation Commission Cost Assessment
- Tab 6: Checklist of Required Planning Elements

The *Asotin County Solid Waste and Moderate Risk Waste Management Plan 2017 Update* has been through the required public and Solid Waste Advisory Committee review and comment period. As part of those initial drafts, we also received preliminary feedback from you via your July 20, 2017, email and follow-up phone conversation and email on October 10, 2017. Feedback from all reviewers has been incorporated into this Preliminary Agency Review Draft.

We formally request this package be reviewed in accordance with the planning requirements listed in Revised Code of Washington (RCW) 70.105.220 and RCW 70.951.020, in addition to the solid waste planning requirements in RCW 70.95.090.

Should you have questions, please feel free to contact me at 509-758-1965. We look forward to receiving your feedback and direction for finalizing this plan.

Sincerely,

Stephen L. Becker
Solid Waste Supervisor
Asotin County Regional Landfill
