**Re: Advice No. 2018-12
PSE's Electric Tariff Filing**

Dear Mr. King,

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find enclosed for filing the following proposed revisions to the WN U-60, Tariff G for electric service of Puget Sound Energy ("PSE"):

25th Revision of Sheet No. 43-A – Schedule 43, Interruptible Primary Service For Total Electric Schools
(Continued)

The purpose of this filing is to correct a scrivener's error in the Basic Charge in electric Schedule 43. The current amount inadvertently transposes two digits. It is now corrected with this filing consistent with the intention of the original filing, associated work papers and billing, despite the typographical error on the tariff sheet.

The tariff sheet described herein reflects an issue date of February 2, 2018, and an effective date of March 5, 2018. Posting of proposed tariff changes, as required by law and the Commission's rules and regulations, is being completed through web, telephone and mail access in accordance with WAC 480-100-193.

Please contact Julie Waltari at (425) 456-2945 or julie.waltari@pse.com for additional information about this filing. If you have any other questions, please contact me at (425) 456-2110.
