### Customer Comments:

Recently moved to Bellingham via Uhaul. Warren did an outstanding job offloading our 26 foot Uhaul in the rain. Care was taken not to track a freshly cleaned carpet. Boxes were deposited in the proper rooms. Thank you Warren

Glenn Nunley-

We hired Warren and his company to move us from Wenatchee to Camano Island in December. Warren even picked up the Uhaul, drove it over in a snow storm and returned the Uhaul. Warren and his workers were all so very polite and such hard workers. There was no damage as they were so careful. Thank you Warren!!

---

We hired Warren and his company and it was a blessing ! Very hard and fast workers. Did I mention very strong , they can move anything!! Thank-You so much! You really did save the day...

I have used this moving company two times in the last 45 days. 

---

The professionalism that the owner has is incredible. I accused him of having his phone tied to his head. He is that responsive! The movers were so professional. My first job request gave Warren only a 5 day timeline. He had movers at my door ready to work on the day I needed them. If you need big or small moving this company is great.. Just give them a call

I have used "Done Right Moving And Labor" in the past so I decided to use them again for another move. My experience with Warren and his crew the second time around was just awful that I felt compelled to warn future customers of their poor service.

I rented a truck from U-Haul scheduled my movers for 9:00 on Saturday October 28th ahead of time. "Done Right Moving And Labor " called and said they would not be available until 1:00. They did not show up until 3:00 PM. I witnessed one of the movers, he was so rough with my belongings that he bounced the dolly downstairs. I have damage on my couch, broken fragile items, and who knows

They loaded my belongings in my garage as I requested since my house was being painted and refinished. Warren promised that he would return in a few days to help with moving the heavy furniture.

He rescheduled 3 times and NEVER showed up or communicated with me that he was not coming. He literally left me stranded.

I finally had to order and pay different movers to finish the job.

He also wanted to be paid under the table so I was not able to leave a proper review.

I called him, texted him several times with no response except "LOL, who is this?"

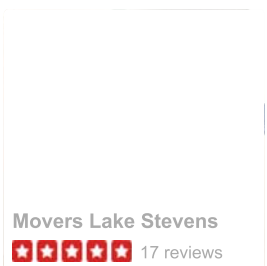

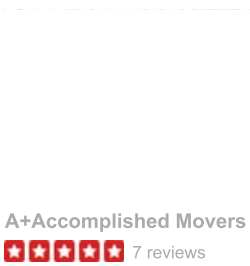

What makes matters worse is that my roommate works for U-Haul and for Warren to treat business partners like this is unacceptable!

Buyer beware!

### **RE: Household Goods Moving in Washington State**

Dear Mr. Harris:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on [www.craigslist.org](http://www.craigslist.org) and [www.mydrml.com](http://www.mydrml.com). You do not have a valid permit, as required by state law, to conduct this type of work. Conducting household goods moves requires a permit issued by the commission.

To avoid enforcement action, your complete household goods permit application, supporting materials, and application fee must be submitted to the commission by **Feb. 22, 2018**.

**Until you obtain a permit, you must immediately cease operating as a household goods mover in Washington State.** Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**.<sup>1</sup> This means that you may receive this penalty for each day you operate in violation of the law.

**You must also immediately cease advertising as a household goods mover in Washington State.** Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5,000 per violation**. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for household goods moving services from Done Right Moving and Labor.

**If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you.** Such action may include the above-mentioned

financial penalties; and you will be served with a subpoena and be required to appear before a judge.

Again, to avoid enforcement action, your complete application, supporting materials, and application fee must be submitted to the commission by **Feb. 22, 2018**.

If you have questions about the household goods laws, please contact Brian Braun, Compliance Investigator, at (360) 664-1129.

Should you decide to apply for a household goods moving permit, please note that you still may not operate as a household goods mover in Washington State until you have received a permit. To request a permit application, please call (360) 664-1222. You may also download an application from the commission's website at [www.utc.wa.gov/mover](http://www.utc.wa.gov/mover).
