RE: Okanogan Solid Waste & Moderate Risk Waste Management Plan

To whom it may concern,

Ecology is in the receipt of Okanogan County's preliminary draft solid waste and moderate risk waste management plan. I am forwarding the plan to the UTC for your 45-day review, per RCW 70.95.096.

I look forward to your feedback, and am available if you wish to discuss the plan with me.

Sincerely,

James Rivard
