RE: Petition for Exemption from WAC 480-30-420 for Tariff No. 11 with 5% band increase

Dear Mr. King:

Shuttle Express Requests approval of submitted Tariff revision with exemption from WAC 480-30-420. We believe the submitted revision meets all requirements under the code as it currently exists. The revision is requested to go into effect on May 10, 2018. The revision has regulated rates that are per-person and are less than the maximum fare allowable currently under WAC-480-30-420, and are also at or below our currently published tariff base fares.

Revisions are being submitted for: Shuttle Express Tariff No. 11
