Re: Rainier View Water Company, Inc. – Second Revised Sheet No. 56

Dear Mr. King:

Attached you will find the above-referenced tariff page. The purpose of this filing is to adjust the General Facilities Charge to reflect the fact that the Tax Cuts and Jobs Act of 2017 eliminated the exception that these types of contributions in aid of construction were not taxable for regulated water companies. The revenues are now included in a water company's gross income.

The undersigned has the authority to issue and file tariff pages on behalf of the Company.

Sincerely,

RICHARD A. FINNIGAN
