

## Sunshine Disposal & Recycling

April 24, 2018

Steven V. King, Executive Director and Secretary  
Washington Utilities and Transportation Commission  
PO Box 47250  
Olympia, WA 98504-4720

Dear Mr. King:

Enclosed are proposed revisions to Tariff No. 8 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260) in Ferry County. The purpose of this filing is to increase refuse rates due to increased disposal costs.

If approved, this filing would generate approximately \$2,100 in additional revenue or approximately .6% in the tariff area.

We request waiver from WAC 480-07-505 and request this filing not be treated as a general rate proceeding. This tariff covers costs associated only with disposal fee increase.

If I can be of any further assistance, please contact me at 509-924-5678 or 509-252-3500 (fax) or at [johnl@sunshinedisposal.com](mailto:johnl@sunshinedisposal.com).

Respectfully,
