Re: Report of Weighted Average Cost of Propane Fuel Inventory

Dear Mr. Johnson:

Puget Sound Energy ("PSE") has no current customers taking service under its Schedule No. 53 Propane Service and no longer has propane fuel inventory. Pursuant to its WN U-2 tariff for natural gas service and Supplemental Schedule No. 101 Gas Cost Rates, PSE will resume reporting the weighted average cost of propane fuel inventory if future customers are served.

Please contact Julie Waltari at (425) 456-2945 for additional information. If you have any other questions please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
