Re: Notification Regarding the Proposed Transfer of Indirect Control of Matrix Telecom, LLC to Lingo Communications, LLC

Dear Mr. Johnson:

By this letter, Lingo Communications, LLC (“Transferee” or “Lingo”), Ionex Communications North, LLC (“Ionex”), TNCI Impact LLC (“Transferor”), and Matrix Telecom, LLC (“Matrix”) (collectively, the “Parties”) notify the Commission of the proposed transfer of indirect control of Matrix to Transferee (the “Transaction”) and related proposed post-closing *pro forma* changes in ownership of Matrix. Since Commission action is not required for the Transaction, the Parties submit this letter for informational purposes.

Description of the Parties

A. Lingo Communications, LLC and Ionex Communications North, LLC

Transferee is a Georgia limited liability company, with a principal office at 3060 Peachtree Road, NW, Suite 1065, Atlanta, Georgia 30305. Transferee is a wholly owned, direct subsidiary of GG Telecom Investors, LLC (“GG Telecom”), a Georgia limited liability company. GG Telecom is owned by Holcombe T. Green, Jr. (66.5%) and R. Kirby Godsey (33.5%).

Lingo is a holding company and does not provide telecommunications services or hold any Commission authorizations. Ionex, a Delaware limited liability company, is an indirect wholly owned subsidiary of Lingo and is authorized in Washington as a competitive supplier of telecommunication service pursuant to a Certificate of Registration granted in Docket No. UT-101335.¹ Ionex also holds authority from the Federal Communications Commission (“FCC”) to provide domestic interstate and international telecommunications services.

B. TNCI Impact LLC and Matrix Telecom, LLC

Matrix is a Texas limited liability company and wholly owned, indirect subsidiary of Transferor. Transferor is a Delaware limited liability company that is 90% owned by Garrison TNCI LLC and 10% owned by Impact Telecom Holdings, Inc. The corporate headquarters of

¹ The Certificate of Registration was initially granted to Ionex Communications North, Inc., which was subsequently converted to an LLC.

Mark L. Johnson, Executive Secretary
August 9, 2018
Page 2

Matrix and Transferor is located at 9000 E Nichols Ave., Suite 230, Englewood, Colorado 80112.

Matrix and its affiliates (collectively, “Impact Telecom”) provides intrastate, interstate and international telecommunications services to residential, business and carrier customers throughout the United States. In Washington, Matrix is registered as a competitive telecommunications company pursuant to the Certificates of Registration granted in Docket Nos. UT-910020 and UT-030675. Matrix also holds authority from the FCC to provide domestic interstate and international telecommunications services.

Description of the Transaction

Pursuant to the terms of a Securities Purchase Agreement (the “Agreement”) dated as of July 3, 2018, by and between Transferor and Lingo, Lingo will acquire all issued and outstanding membership interests of Impact Acquisition, LLC, a Delaware limited liability company and an

Mark L. Johnson, Executive Secretary

Page 3

indirect parent of Matrix. Impact Acquisition, LLC and its subsidiaries, including Matrix, will be held by Lingo Management, LLC, which is a wholly owned subsidiary of Lingo. As a result, indirect ownership of Matrix will be transferred to Lingo.

After the closing of the Transaction, Lingo plans to eliminate Impact Telecom, LLC from the chain of ownership of Matrix (the “Post-Transaction *Pro Forma* Change”) resulting in Matrix becoming a wholly owned, direct subsidiary of Impact Acquisition, LLC. Since Matrix is currently a wholly owned, indirect subsidiary of Impact Acquisition, LLC, the Post-Transaction *Pro Forma* Change will not change the ultimate post-Transaction ownership of Matrix and is *pro forma* in nature. This Post-Transaction *Pro Forma* Change will have no effect on Matrix, its customers or its operations, but eliminating the additional intermediate holding company will streamline recordkeeping and reporting among other benefits.

For the Commission’s reference, Exhibit A depicts the current, post-closing and Post-Transaction *Pro Forma* Change entity ownership structure of the Parties.

The Transaction will bring together two enterprises that have demonstrated a long-standing commitment to excellence in a highly competitive marketplace. Customers of the combined company will benefit from the extensive telecommunications experience and expertise of the combined company. The financial, technical, and managerial resources that Transferee and Ionex will bring to Matrix (and Matrix to Transferee and Ionex) are expected to enhance their ability to compete in the telecommunications market-place. The proposed Transaction will have no adverse impact on customers of Matrix and Ionex. Following the Transaction, Matrix and Ionex will continue to provide high-quality communications services to their customers in Washington without interruption and without immediate change in rates, terms or conditions. The only change immediately following closing of the Transaction from a consumer’s perspective is that Lingo will be the new ultimate owner of Matrix.
