COMMISSION

Dear Mr. Johnson:

Puget Sound Energy ("PSE") hereby submits proposed revisions, pursuant to RCW 80.28.060 and Chapter 480-80 WAC, in the following electric WN U-60 Tariff G sheet:

**7<sup>th</sup> Revision of Sheet No. 140-C - Schedule 140 Property Tax Tracker (Continued)**

The purpose of this filing is to correct the rates and unit of measure for Schedules 448 -459 Energy Charges. This does not represent a change to the effective rate charged to customers nor an increase in recurring charges, rather returning the representation from kWh to kVA. The tariff sheet described herein reflects an issue date of August 9, 2018, and an effective date of September 9, 2018. Posting of proposed tariff changes, as required by WAC 480-100-193, is being made on the PSE web site coincident with the date of this transmittal letter.

Please contact Julie Waltari at (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 456-2142.

Sincerely,

*/s/ Jon Piliaris*
