Re: Service Area Tariff Update

Dear Mr. Johnson,

The purpose of this letter is to update Washington Water Service Company's (WWSC) service area tariff to incorporate Orcas Highlands in WWSC's service area. The customers of Orcas Highlands will be charged WWSC existing rates. The legacy rates for Orcas Highlands are higher than those of WWSC, therefore the change is a benefit to these customers.

If there are any questions concerning this tariff update, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Julian Gandara".
