Re: Tipping Fee Increase 2019

Booker Nagley:

Effective January 1, 2019, the tip fee at the BDI Transfer Station will increase to \$49.00 per ton for municipal solid waste delivered to our facility by your company.

Columbia Basin, L.L.C. received a rate increase on December 1, 2017 from the Finley Buttes Regional Landfill (which we did not pass on to Ed's Disposal, Inc.) and will be receiving another rate increase on December 1, 2018 from the Finley Buttes Regional Landfill.

The two landfill rate increases, fuel cost increases, and general CPI increases necessitate our increase in our tip fee rates.

Sincerely,

Steven R Wheatley  
General Manager  
Columbia Basin, L.L.C.
