*Re: Notice of Surrender of Telecommunications Registration by Flowroute CLEC
Inc., Docket No. UT-171029*

Dear Mr. King:

Flowroute CLEC Inc. ("Flowroute CLEC"), through its undersigned counsel, hereby notifies the Washington Utilities and Transportation Commission ("Commission") that it surrenders its registration to provide telecommunications services in the State of Washington.¹ Flowroute CLEC does not provide any services in the State of Washington that require it to continue to hold a telecommunications registration.

Flowroute CLEC understands that Commission approval is not required to surrender a telecommunications registration. Accordingly, Flowroute CLEC submits this letter for informational purposes only to ensure the accuracy of the Commission's records.

¹ Flowroute CLEC was granted registration as a competitive telecommunications company in Docket No. UT-171029 on November 9, 2017. On June 29, 2018, West Corporation ("West") and Flowroute Inc. notified the Commission of their intent to consummate a transaction whereby West would acquire ultimate control of Flowroute Inc. and Flowroute CLEC. On September 5, 2018, West notified the Commission that the transaction was completed on August 15, 2018.
