Re: 2019 Construction and Operations and Maintenance Budget Report

In accordance with WAC 480-140-040, Pacific Power and Light Company (Pacific Power), a division of PacifiCorp, submits its calendar year 2019 summary of operations and maintenance expenses and summary of capital expenditures. The summary of capital expenditures includes major construction projects that meet or exceed the threshold for additional reporting of five-tenths of one percent of the company's Washington-allocated net utility plant in service, as per WAC 480-140-040(1), calculated using the West Control Area inter-jurisdictional allocation methodology. Figures for both reports are reflected on a total-company basis.
