COMMISSION

Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 14

Please find enclosed revised tariff pages Title page, 2, 24, 25, 26, 35, 36, 38, 40 and 42 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014.

As shown on the attached letter from the Countywide Solid Waste Programs of Douglas County (CSWPD), Waste Management's "fair share" portion of the fee for 2019 is \$188,625. This fee is \$4,078 greater than the fee assessed in 2018. However, due to the growth in the customer base and related solid waste tonnages, we are proposing that the fee charged to customers be decreased approximately 5.0% as reflected in the above revised tariff pages.

In accordance with WAC 480-70-262 as this filing is results in a rate decrease to the customers, we are requesting that the proposed effective date of this new fee be effective April 1, 2019. Enclosed for your review is our accounting workpapers and the letter from the DCSWPD that establishes the fee for 2019.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,

Michael A. Weinstein
