RE: Advice No. WA CT 19-01 for CenturyTel of Washington, Inc. d/b/a CenturyLink

Dear Mr. Johnson:

Enclosed for filing please find revisions to the CenturyTel of Washington, Inc. d/b/a CenturyLink WN U-3, submitted with a proposed effective date of May 8, 2019:

<u>Section</u>	<u>Page</u>
3	Second Revised Sheet 10

This filing revises the former statement in the 9-1-1 Emergency Service section regarding the statewide provision of automatic location identification services by CenturyLink QC within the state of Washington. Effective May 8, 2019, CenturyLink QC will no longer provide PS/ALI.

The contract awarded to Comtech by the State of Washington includes routing and ALI Database management. CenturyLink has been working with PSAPs on the migration to Comtech. To date, CenturyLink has continued to perform Selective Routing and ALI Database management. Effective May 8, 2019, CenturyLink QC will no longer provide the selective routing function or offer PS/ALI. CenturyLink will include existing records in the database migration to Comtech; however future updates, additions, moves, changes, and deletions must be handled by the PSAP directly with Comtech.

Customers who currently subscribe to CenturyLink QC's PS/ALI service were notified via direct mail at least 30 days prior to the date on which CenturyLink will discontinue providing these functions. A copy of that customer notice was provided with the CenturyLink QC tariff revisions that were separately filed.

I, Marla Hazlett, in compliance with WAC 480-80-123, certify that I have authority to issue tariff revisions on behalf of Qwest Corporation d/b/a CenturyLink QC.

If you have questions or need additional information regarding this filing, please feel free to email or call me.

Sincerely,

Marla Hazlett
