Good morning,

Thanks for getting back to me so quickly - I know you're inundated with messages and work too. I just wanted the extension in case for some reason I don't finish it in time, so that I can avoid being penalized. It is busy and I am working on the truck a lot, plus the end of the month is coming up when it is most hectic. The beginning of May looks slow so I would be able to get it done no later than 5/8/19. However, I will make every effort to get it to you before the deadline (and most likely will). I understand that my regulatory fees will need to be paid by May 1 regardless.

Thank you,

Hi Kyle,

I need you to provide a specific date you will have the report complete by, and your reason that you will be unable to meet the deadline.

Hi Benjamin,

I know you're busy so I'll get straight to the point. I may or may not need an extension for my annual report, but I wanted to get one anyways just to make sure I'm covered. Thank you!
