RE: **Advice No. 2019-24**
Electric Tariff Filing – Filed Electronically

Dear Mr. Johnson:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find the following proposed revisions to the WN U-60, Tariff G for electric service of Puget Sound Energy (“PSE”):

16th Revision of Sheet No. 87 - Schedule 87: Income Tax Rider-Contributions in Aid of Construction

The purpose of this filing is to add a new factor under Schedule 87 that will be applicable to customers’ Contributions in Aid of Construction (“CIAC”) toward an electric vehicle charging equipment/station that PSE installs at their site under Schedule 552, Electric Vehicle Residential Charging Products and Services. The work paper attached to this filing details the calculation and the supporting documentation about the federal income tax implication of CIAC associated with electric vehicle (an alternative fuel vehicle) refueling properties.

The tariff sheet described herein reflects an issue date of June 6, 2019, and an effective date of July 7, 2019. Notice and posting of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-100-193. In addition, a customer will receive an individual notice through the quoted price prior to incurring the Schedule 87 charge.
