Subject: Waste Management of Ellensburg, a division of Waste Management of Washington, Inc. (G-237); Tariff # 12

Dear Sirs:

Enclosed, please find revised pages 2, 21, 23, 24, 29, 30, 32, and 33 to the above-referenced tariff. These proposed revised tariff pages contain increased rates for residential and commercial garbage collection services. The requested rate increase is necessary to comply with the Kittitas County Resolution No. 2017-152 passed by the Kittitas County Board of Commissioners on September 19, 2017. This resolution reflects an increase in disposal fees from \$103.35 to \$105.16 to become effective on August 1, 2019. However, in accordance with the requirements of RCW 70.95.212, the change in disposal fees assessed to our company will not go into effect until September 1, 2019. The increased rates, if approved by the commission, would approximately increase Company revenue by \$15,000, and residential and commercial garbage rates by 0.8%. The effective date of the proposed tariff revisions is September 1, 2019.

Also, enclosed for your review are our accounting workpapers and Resolution No. 2019-102 for Kittitas County. Upon approval by the Commission, affected customers will be notified of this rate change on their next regularly scheduled billing. If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
