The Washington Utilities and Transportation Commission (Commission) believes that you have violated Revised Code of Washington (RCW) 19.122.030(2) by failing to provide the required notice to facility operators through a one-number locator service before excavating. RCW 19.122.055 states, in part, that any excavator who fails to notify a one-number locator service and causes damage to an underground hazardous liquid or gas facility is subject to a civil penalty of not more than \$10,000 for each violation.

Commission staff (Staff) conducted an investigation that included reviewing damage reports submitted by Puget Sound Energy (PSE) that identified natural gas damage events involving Rios Brick Pavers LLC (Rios Brick Pavers or Company). Accordingly, the Commission hereby notifies you that it is assessing a penalty of \$7,000 against you on the following grounds:

(First Violation)

On January 19, 2019, Rios Brick Pavers struck and damaged a natural gas line operated by PSE while excavating at 15708 Tiger Mountain Rd. SE, Issaquah, Washington. Rios Brick Pavers did not request a dig ticket from a one-number locator service to locate underground utilities before excavating.

On February 26, 2019, PSE submitted a Damage Incident Reporting Tool (DIRT) report identifying the Company as the party responsible for damaging the natural gas service line. Staff was unable to find a valid dig ticket for Rios Brick Pavers at this location on this date.

(Second Violation)

On March 6, 2019, Rios Brick Pavers struck and damaged PSE's underground gas line while excavating during building construction at 15610 NE 112th St., Redmond, Washington. Before beginning excavation, Rios Brick Pavers failed to request a dig ticket from a one-number locator service to locate underground utilities.

On April 12, 2019, PSE submitted a DIRT report identifying the Company as the party responsible for damaging the natural gas service line. Staff was unable to find a valid dig ticket for the Company at this location on this date.

Staff recommends the Commission assess a \$7,000 penalty against Rios Brick Pavers for two violations of RCW 19.122 for failing to provide the required notice to a one-number locator service before excavating, as follows:

- \$2,000 penalty for the violation of RCW 19.122.030(2) that occurred on January 19, 2019; and
- \$5,000 penalty for the violation of RCW 19.122.030(2) that occurred on March 6, 2019.

The Commission agrees with Staff's recommendation and assesses a penalty of \$7,000.

These facts, if not contested or if proved at a hearing and not rebutted or explained, are sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violations did not occur, you may deny committing the violations and contest the penalty through evidence presented at a hearing or in writing. Or, if there is a reason for the violations that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violations or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violations or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the \$7,000 penalty amount due; or
- Request a hearing to contest the occurrence of the violations; or
- Request mitigation to reduce the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, P.O. Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Lacey, Washington, and effective August 23, 2019.
