Puget Sound Energy Electric Tariff Revision – Filed Electronically**

Dear Mr. Johnson:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revision to the WN U-60 Tariff for electric service of Puget Sound Energy (“PSE”):

- 43rd Revision of Sheet No. 2-A - Index to Rate Schedules (Continued)**
- 12th Revision of Sheet No. 2-B – Index to Rate Schedules (Continued)**
- Original Sheet No. 2-C – Index to Rate Schedules (Continued)**
- 1st Revision of Sheet No. 131-B – Restoration Service Guarantees (Continued)**
- 1st Revision of Sheet No. 131-C – Restoration Service Guarantees (Continued)**
- 1st Revision of Sheet No. 131-D – Restoration Service Guarantees (Continued)**
- 1st Revision of sheet No. 131-E – Restoration Service Guarantees (Continued)**

The purpose of this filing is to make housekeeping updates to multiple schedules, incorporating new schedules to the Electric Index which have recently been added to the electric tariff book as well as correcting a scrivener’s error in the title and in one section of Schedule 131. The Schedule 131 title now reads as Restoration Service Guarantees throughout the tariff schedule, and the name of the section has been updated to 24 Hour Guarantee. The new schedules added to the Electric Index include new services and products: an optional non-communicating meter service; and several new electric products and services related to electric vehicle charging within a new category of electric service for transportation electrification.

The tariff sheet described herein reflects an issue date of October 11, 2019, and an effective date of November 10, 2019. Posting of the proposed tariff changes for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1). This filing does not represent an increase in recurring charges or

restrictions in access to services, therefore notice will be provided in accordance with the provisions of WAC 480-100-195(3).
