Re: Roche Harbor Water System, Inc. – James L. and Elizabeth L. Huesman – Yacht Properties LLC – Water System Extension Agreement – Waiver of WAC 480-110-415 Requested

Dear Mr. Johnson:

Attached for filing is the above-referenced Water System Extension Agreement between Roche Harbor Water System, Inc., James L. and Elizabeth L. Huesman and Yacht Properties LLC. The Water System Extension Agreement is for the installation of a water distribution main and related operating equipment and appurtenances by Roche Harbor Water System, Inc. to serve four residential connections.

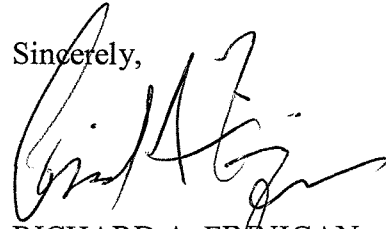

This filing is required by WAC 480-110-435(2)(a).

In addition, the meters to provide service will be located off of each customer's property. As such, a waiver of WAC 480-110-415 is requested. The customers are aware of the additional requirements to maintain the service line outside of their property boundaries and have agreed to that obligation. See Section 14 of the Agreement.
