RE: Rabanco Ltd. / Eastside Disposal / Republic Services Less Than Statutory Notice Tariff Revision

Dear Mr. Johnson,

Please accept this less than statutory notice update to our tariff pages, item 5 (Application of Rates – Taxes). Attached is an updated check sheet and tariff page for Rabanco LTD, Certificate G-12 (DBA Eastside Disposal). Updates reflect adjustments to tax rates related to the King County Board of Health's Local Hazardous Waste Fee. Adjustments to King County BOH's fee schedule was updated and approved take effect on January 1, 2020. These are pass-through fees assessed on Residential, Commercial, Industrial, and Multi-family accounts. We are asking for an effective date of January 1, 2020 to stay in compliance with the program.

The new fee schedule is a multi-year adjustment to address cumulative impacts of inflation since the last rate increase.

If you have any questions please do not hesitate to contact me.

Sincerely,

Rick Waldren
