Hi Daniel,

Thanks for getting this over to us.

I just wanted to confirm that all customers were notified as you did below? This question will probably come up and I want to make sure I have the correct answer.

We are sending this notice to you under your agreement with ANPI, LLC d/b/a Inteliquent ("Inteliquent"). As you know, under this agreement, Inteliquent provides Feature Group D tandem services through a tandem operated by Common Point (a related entity). We are transitioning these services to a tandem operated by Inteliquent. In connection with this change, we are seeking your cooperation with one item. To complete the migration, we are asking you to update the Feature Group D tandem service listed in the LERG for your end offices. Otherwise, you should see no changes. All physical connections between your end office and the IXC will remain in place. This is simply an administrative update to the CLLI code for the tandem serving your end offices.

Specifically, through your AOCN, you will need to initiate a LERG change updating the Feature Group D tandem for your end offices from the current Common Point tandem CLLI of CHCGILCP06T to the new CLLI code listed below. This change must be made effective August 15, 2019.

The specific details for your end offices which need updated are as follows.

Substending Company Name	Company OCN	End Office CLLI Code	SHA Ind.	Current: H_ORG_D_TDM	Current: H_TRM_D_TDM	New: H_ORG_D_TDM	New: H_TRM_D_TDM
MIDWEST DATA CENTER, INC. - MO	454H	RCPTMO020MD	00	CHCGILCP06T	CHCGILCP06T	KSCYMO0300T	KSCYMO0300T

Thank You!
