

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

PENALTY ASSESSMENT: TR-191025
PENALTY AMOUNT: \$100

BNSF Railway Co.
2650 Lou Menk Drive
Fort Worth, TX 76131

The Washington Utilities and Transportation Commission (Commission) believes BNSF Railway Co. (BNSF or Company) violated Washington Administrative Code (WAC) 480-62-310 - Accident Reports, which requires railroad companies to report certain events to the Washington State Emergency Operations Center (EOC) within 30 minutes of learning of the event's occurrence. This includes any event connected to the operation of the railroad company that results in:

- (a) Release of any hazardous material (*i.e.*, materials that are corrosive, flammable, explosive, reactive with other materials, or toxic).
- (b) Death of any person.
- (c) Injury to any person involved in a railroad-highway crossing accident that requires medical treatment in addition to first aid.
- (d) Property damage, amounting to fifty thousand dollars or more to property.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for each violation. In the case of an ongoing violation, every day's continuance is considered a separate and distinct violation. Accordingly, the Commission hereby notifies you that it is assessing a penalty against you in the amount of \$100 on the following grounds:

On December 3, 2019, at 5:30 a.m., a BNSF freight train struck and fatally injured a pedestrian at milepost 29.7X on the Seattle Subdivision, south of Sumner, WA. BNSF notified the National Response Center at 6:08 a.m., but failed to notify the EOC. BNSF representative Kevin Nevill acknowledged that BNSF failed to meet the Commission's reporting requirements.

This information, if proven at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may deny committing the violation and contest the penalty through evidence presented at a hearing or in writing. Alternatively, if there is a reason for the violation that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation(s) or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of their decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Contest the occurrence of the violation(s).
- Admit the violations but request mitigation of the penalty amount.

Please indicate your selection on the enclosed form and submit it electronically through the Commission's web portal **within FIFTEEN (15) days** after you receive this notice. If you are unable to use the web portal, you may submit it via email to records@utc.wa.gov. If you are unable to submit the form electronically, you may send a paper copy to the Washington Utilities and Transportation Commission, PO Box 47250, Olympia, Washington 98504-7250.

If you do not act within 15 days, the Commission may take additional enforcement action, including but not necessarily limited to suspending or revoking your certificate to provide regulated service, assessing additional penalties, or referring this matter to the Office of the Attorney General for collection.

DATED at Lacey, Washington, and effective December 31, 2019.
