**NOTICE OF INTENT TO CANCEL
AUTO TRANSPORTATION CERTIFICATE
AND OPPORTUNITY TO REQUEST A HEARING**

**Re: Docket TC-191043
Pacific Northwest Transportation Services, Inc.**

Staff of the Washington Utilities and Transportation Commission (Commission) has determined that Pacific Northwest Transportation Services, Inc. (Pacific Northwest), has failed to comply with regulatory reporting requirements and/or failed to pay required regulatory fees.

Under WAC 480-30-071, every auto transportation company must file an annual report by May 1. In addition, under WAC 480-30-076, auto transportation companies must pay regulatory fees each year by May 1.

WAC 480-30-171(2)(b) provides that the Commission may cancel the certificate of an auto transportation company if that company fails to file its annual report or pay required regulatory fees. Staff has determined that, as of the date of this notice, Pacific Northwest has not filed the annual report due May 1, 2019.

The Commission, therefore, intends to cancel your certificate.

To avoid cancelation of your certificate, you must take one of the following two actions **within 30 days** of the date of this notice:

- (1) **Come into compliance** with applicable law by submitting the delinquent annual report and paying the required regulatory fee (annual report forms as well as information on how to make a payment are available on the Commission's website: www.utc.wa.gov); or

- (2) **Request a hearing** to demonstrate why your certificate should not be canceled. All hearing requests must comply with the Commission's procedural rules, contained in WAC 480-07, which are available on the Commission's website on its [Legal Research Tools](#) page.

If you do not respond to this notice within 30 days of the service date of this notice by complying with the regulatory requirements or by requesting a hearing, the Commission will enter an order canceling your certificate without further notice. Companies without the required auto transportation certificate from the Commission are prohibited from providing auto transportation service in the state of Washington.

If you have questions regarding this notice, you may contact Rachel Stark, Regulatory Analyst, at (360) 664-1157 or at rachel.stark@utc.wa.gov.
