Re: Burton Water Company, Inc. – Second Revision of Sheet No. 9 Canceling First
Revision of Sheet No. 9; Original Sheet No. 9.1

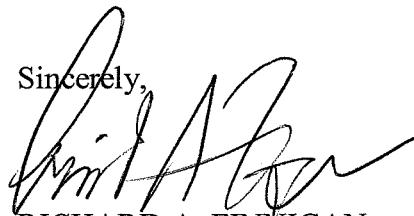

Dear Mr. Johnson:

Enclosed you will find the above referenced tariff sheets. The purpose of this filing is to update the billing and payment options available to customers. A copy of the notice that is being mailed to the customers is attached.

If the Commission maintains the policy of incorporating these costs into the general rates, after the company has gained experience with the "take rate" of credit/debit/e-check payments, it will look at incorporating the costs into general rates. ✓

I have authority to issue and file tariff sheets on behalf of the Company.

Sincerely,

RICHARD A. FINNIGAN
