Executive Director and Secretary

Dear Sir,

Bremerton Kitsap Airporter, Inc. holder of certificate #C-903, which provides auto transportation service from points on Joint Base Lewis McChord to SeaTac International airport. BKA requests the commission grant us permission to temporarily discontinue service effective March 27 due to the recent declaration by Governor Jay Inslee, and other restrictions resulting from the outbreak of novel corona virus 19. Social Distancing, stay-at-home orders, federal restrictions for military personnel, who travel domestically and international, and other restrictions have reduced the number of reservations for our service to zero for the foreseeable future. We request that service be suspended until restrictions are lifted and the economic situation improves.

BKA is taking in consideration of our employees and limiting their exposure of COVID – 19, there by exposing their families, co-workers, and other medical sensitive persons from becoming infected.

Thank you for your consideration.
