**RE: 2021 Integrated Resource Plan Work Plan  
Compliance with WAC 480-90-238 and WAC 480-100-238  
Dockets UE-\_\_\_\_\_ and UG-\_\_\_\_\_**

Dear Mr. Johnson:

Attached please find the Work Plan for Puget Sound Energy's ("PSE's") 2021 Integrated Resource Plan ("IRP"). It is filed pursuant to the Washington Utilities and Transportation Commission IRP rules under WAC 480-90-238(4), (5) and WAC 480-100-238(4), (5) and Order 02, paragraph 28, in Dockets UE-180607 and UG-180608. The Work Plan includes a description of public participation and anticipated timing, summary of methods for assessing resources, and an outline of IRP content. The Public Participation Plan is provided as an Appendix.

PSE will file the final IRP by April 1, 2021.

PSE is launching the 2021 IRP public participation process in the unprecedented time of the COVID-19 pandemic. With safety as our top priority and due to uncertainty concerning social distancing and other public health directives, PSE is planning on utilizing online engagement techniques and virtual events for much of the 2021 IRP public participation process. PSE is prepared to update the Public Participation Plan as restrictions change. As such, PSE has not included specific dates for the beginning of the process but has identified public participation opportunities by month. PSE will file initial dates for meetings in the coming weeks.
