Re: Tariff Sheet Clean up

Dear Mr. Johnson,

The purpose of this filing is to revise and add clarifying language to one of Washington Water Service Company's (WWSC) tariff sheets.

The revision is to Sheet No. 38. Condition 1 contains language which is duplicative and WWSC proposes to remove it. Clarifying language was added to Condition 4. In the cost table, the word meter was replaced with service setting.

If there are any questions concerning this tariff update, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Julian Gandara".
